

Non Financial Corporate Business: Debt Securities, Asset, Level

September 27, 2018

Debt securities is a measure provided by the Board of Governor of the Federal Reserve System U.S. and is freely available on Federal Reserve Economic Data (FRED). It includes

- open market paper
- Treasury securities
- agency- and GSE-backed securities
- municipal securities
- corporate and foreign bonds

The nonfinancial business sector equals the sum of two sectors: nonfinancial corporate business and nonfinancial noncorporate business.
